PROJECTS	IITP App	Ongoing
	Institute App for the students of IIT Patna • Link : https://github.com/chanmol1999/Notifications	
	Shabd App	March - Jun 2019
	The app is mainly made to educate the people those who are suffering from autism. It is available completely in free of cost. This makes it accessible even for the poorest section of the society. It will benefit the patients to gain knowledge of communication. Also they would get something that will accompany them all the time, so that they wont feel lonely. Normal kids at younger age can also use this app to increase their knowledge in communication. • Link: https://github.com/chanmol1999/Shabd
